Dear [REDACTED]

This is to advise you that you passed the recent bar examination and that you are being licensed as of this date. I congratulate you and wish you a successful career.

A certificate suitable for framing will be mailed to you as soon as it can be prepared.

All lawyers who practice in this Commonwealth are required to register with the Virginia State Bar. Therefore, I have notified Mr. N. Samuel Clifton, Executive Director, Virginia State Bar, 700 Building, Seventh and Main Streets, Richmond, Virginia 23219, that you have passed the bar examination and are being licensed as of this date. Mr. Clifton will mail you an application within a few days.

You should contact your local Commissioner of Revenue for information on license taxes.

If you desire to qualify to practice in the Supreme Court of Virginia, you must make application in advance to the Clerk's Office of the Court. Attached hereto are instructions for your guidance in making application, securing admission to the Supreme Court Building, and qualifying before the Court. The next session of the Court will be held in Richmond commencing June 7, 1976.

Sincerely,

W. Scott Street, III  
Secretary
